BE A PART OF OUR SUCCESS & HELP US KEEP THE FIRE BURNING BRIGHT FOR THE FUTURE

- SUPPORT** emerging glass artists
- FORTIFY** a vital arts organization in Pittsburgh
- SUSTAIN** one of the top glass art facilities in the U.S.
- MAGNIFY** the vibrant & growing glass community in Pittsburgh

Join us along with event chair **Kathe Patrinos** and **American Eagle Outfitters** for the Art on Fire 11 Celebration & Auction. This is PGC's most important fundraiser that generates over 10% of the annual operating funds for the organization – in ONE evening! Plus it's also key to building our community of glass artists, collectors and appreciators. This event is the catalyst for the excitement about glass art that flows throughout the year!

Last year, over 500 community leaders and art appreciators joined the celebration with our sponsors American Eagle Outfitters, Guckenheimer, Sampson Morris Group, PNC Wealth Management, Acusis Higher Standards Medical Transcription Services, Horovitz, Rudoy & Roteman, Lovett Bookman Harmon Marks, Neville Chemical Company, The Meridian Group, Desmone & Associates Architects, and General Wire Spring Company among others.
